Dear Parent/Carer

We have had a very positive start to the summer term and the children have lots to look forward to in the coming months! A new term means new topics and learning so please check the school website class pages for updated information. As always, we thank you for your continued support!

We welcomed Robbie Evans from Active Wrexham into school last week to work with our Year 1 and 2 girls on developing their football skills.

The girls from Chestnut, Maple, Hazel and Pine all enjoyed learning and trying out their football skills on our new outdoor pitch. Thank you to staff for organising this opportunity and to Robbie for his time and expertise!

A huge thank you to our Parent Teacher's Association (PTA) for all of their time and efforts in planning all of our fund raising and for parents and carers for supporting these events. Amongst others, our discos and Easter bingo have helped us raise over £3000 which have enabled school to purchase new PE mats.

Thank you to all parents for supporting with parking safely and outside of the restricted areas for both drop-off and pick-up. Unfortunately, we have not quite resolved the issues and a number of complaints have now been raised that have been escalated to the parking enforcement officers who will be issuing tickets to cars parked illegally. We urge you to avoid double parking, making u-turns in our school gateway and parking over resident's driveways.

Years' 1 and 2 launched their new topic last week with a 'super-heroes' day. The children dressed up in their favourite super hero costumes that included Spiderman and Supergirl. It was extremely heart-warming to see one of the children dressed as Miss Esp – their superhero!
