Newsletter

Friday 8th September 2023

Dear Parents,

I am pleased to share that the first week back has gone well! Children are settling well into their new classes and everybody is looking forward to the school year ahead!

All parents will get a chance to **Meet the Teacher** at 3:30 pm on Monday 18th September, this is an annual event which has been very successful in the past! You will be able to see your child's classroom and share some informal conversations with school staff. We do hope you can make it!

Good communication between school and parents is very important and we are currently developing our **new website** which should be ready very soon. Newsletters and other relevant information will be posted on our website moving forward.

Teachers can also be contacted using the **SEESAW** app during working hours and Miss Millington and Mrs Griffith are both happy to help if you contact/ visit our school office.

GVCC, who provide wrap around and after school club sessions, will also be advertising their sessions on our school website and we look forward to working with them this year!

As a staff we have discussed some changes we would like to make, starting from next week **all pupils can come to school in their school PE kit on their PE days**. This works well in many other schools and is something we would like to re-introduce at Acton Park.

Parents Evening Sessions will be taking place on Tuesday 24th and Wednesday 25th October, giving you a further opportunity to discuss how your child has settled into school over the first half term. More details regarding booking appointments will follow in the weeks to come.

Yours Sincerely,

J. Roberts

Headteacher
