

Newsletter – 29th September 2023

Dear Parents,

Parent Teachers Association

Following the recent PTA AGM, Mrs Walker is now the chair and Mrs Watkin and Miss Millington are joint Vice Chair. It has been agreed that this year, fundraising will go towards **new PE mats for the whole school**. The next meeting is at The Cunliffe on 5th October at 6:30pm. More active members are needed to help organise events so please attend the meeting if you wish to get involved. If you are not able to attend but are interested, then please email school with PTA in the subject.

New Equipment for Early Years Classes

Pupils in our early years classes are getting lots of use out of their new equipment which **includes mud kitchens, storage tables and messy mixing tables**.

New Tables, Chairs and Blinds

Mrs Lloyd has met with representatives from Wrexham Local Authority on several occasions to discuss the replacement of classroom furniture and window blinds. We are pleased to tell you that Wrexham Local Authority will meet most of the cost and that, combined with our own school furniture budget, we will be replacing all classroom tables, chairs and classroom blinds with modern alternatives. This is great news for the school and it is what our pupils deserve! We hope to see the new furniture arriving in the coming months!

School Library – update

Miss Esp and Mrs Williams have ordered furniture and books for our new library. We will ensure that they receive adequate time to refurbish the library and to properly catalogue an extensive range of new books! It is our hope that, once completed, all classes will be able to visit the library on a regular basis.

Breakfast Club

Parents whose children attend breakfast club will have noticed that **Wrexham have put the cost up from £1 to £2 and implemented a charge of 50p for those who qualify for Free School Meals**. Please be aware that this decision was made centrally and, as a result, to support families we have decided to alter our session times so that children who pay £2 can attend from 8 am. We have also introduced a free session from 8:20 am. This hopefully provides you with an extended range of options to choose from – alongside the option to drop off at 7:30 am.

Parent Governor

We would like to welcome Mr David Fisher to our school governing body and as a school we look forward to working with him. The role of Parent Governor is a very rewarding one and I would encourage parents to consider putting themselves forward when future elections take place. If you are interested then please come into school and speak to the school office.

Yours Sincerely,

J. Roberts
