

Newsletter – 20th October 2023

Dear Parents,

Tree of the Year

We are very excited by the news that the Sweet Chestnut Tree in Acton Park has been named as the winner of this year's Tree of the Year competition! The tree is just a few steps away from our school and has stood for 484 years! It is known for its beauty and resilience for surviving post-war Britain and many storms! We are looking forward to taking our children to see the tree.

Spooktacular Disco

It was great to see so many children at the disco organised by the PTA. Without your support, the PTA would not be able to provide valuable resources for our children. This year, the funds will go towards new PE mats for the whole school with a target of £3000. The disco has raised around £500!

The PTA is always looking for helpers, the next meeting is at The Cunliffe on Thursday 26th October at 6:30pm to discuss the Christmas Fair. If you cannot attend the meeting but are able to help out then please email mailbox@actonpark-pri.wrexham.sch.uk. Thank you!

Christmas Fair

Save the Date! The Christmas Fair this year will take place on Thursday 30th November at 3:30pm in the Junior Hall. There will be stalls, games, food and Santa's Grotto!

Parents Evening

Reminder that Parents Evening is on 24th and 25th October. Please refer to the letter sent on Seesaw if you still need to book your appointment. If you experience any problems then please contact the office.

Tempest Photographs

You will have all received your proof this week for your child's school photograph. Orders must be made through the Tempest website and you have until Wednesday 1st November to order to get free delivery to school. If you need any assistance with ordering then please contact Tempest on 01736 751555 (option 3).

Headlice

We have had an increase in reported cases of headlice within school. Please ensure you regularly check your child's and your family's hair and treat appropriately. Thank you.

Yours Sincerely,

J. Roberts
