

Dear Parents,

Can I, first of all, thank you for your support this half term.

We all gathered together as a school yesterday to celebrate with many different awards given out, including the head teacher awards. For more details about who won the awards this time you can visit our school website.

Our pupils have enjoyed school discos over the past two weeks which were very well attended, raising funds for school projects moving forward. A big thank you to staff and PTA members who supported these events!

We had hoped to see the 'Chums Building' demolished this half term but due to delays with planning applications this has been pushed back and will now be closer to Easter. Once the building has been demolished, we are planning to use the area to facilitate games and play that both our infant and junior children can benefit from.

You will, no doubt have heard that all Wrexham schools are facing challenging times moving forward. A letter was sent out yesterday to parents of all schools in Wrexham, explaining the difficult times we face moving forward. Please rest assured that, when making decisions, your children are central to our thoughts. We need to ensure that we can provide the best opportunities for our pupils.

After half term, we have a busy calendar of events including class and group photographs, World Book Day, Parents' evenings and Comic Relief. We are also looking forward to inviting our Early Years' parents and carers to a special 'Royal Banquet' and I am aware that Reception children are also looking forward to visiting Chirk Castle.

We hope that you have an enjoyable and restful half term and look forward to seeing you back at school on Tuesday 20th February.

Sincerely,

J. Roberts
